## How to KEEP your scholarship

Some scholarships may be renewable. However, renewable awards might have ongoing requirements, including:

- ✓ **Submit a renewal application.** Scholarships may require a new application each academic year.
- ✓ **Grade point average.** You may need to maintain a minimum GPA to remain eligible.
- ✓ **Satisfactory academic progress.** You may be required to fulfill academic requirements, such as completing a certain number of credits or courses within a set amount of time.
- ✓ **Designated field of study.** Will you lose the award if you change majors?
- ✓ **Full-time enrollment status.** Scholarships frequently require you to be a full-time student.

If there is any question whether your scholarship is renewable, talk to your school or scholarship sponsor as soon as you receive the scholarship.

Remember that sponsors offer scholarships throughout the year!
